

Good Morning Friends,

May, 2012 will find the Colorado Springs Muzzle Loaders, Inc. hosting their 37<sup>th</sup> annual Memorial Day Shoot and Rendezvous! We will be located at the beautiful Florence Mountain Park, ten miles south of Florence, Colorado. This event continues to host the most black powder shooters in the state and lots of visitors who are introduced to the fun and spirit of black powder and all its many facets.

We welcome all vendors, traders, and businessmen who want to display their wares for sale at our event. We ask that items be related to the American Fur Trade (1800-1840) and firearms, shooting supplies, and things related to muzzle loading in general. Florence Mountain park is an unimproved area but the roads into the area are well maintained. We offer both primitive and modern trading areas for those vendors who do not have period stores. Your trader's fee includes the camping for the weekend.

Our trader's fee is \$35 and rules are simple. We ask only that you pre-register using the enclosed form and bring your goods to display and sell. If you trade in the primitive area, then your goods must be appropriately packaged. Things not of the period must be covered or hidden from view. If you trade in the "modern" area, we still ask that you ensure your goods are appropriate to the era and packaged as they would have been. Food vendors are encouraged to attend as well. We ask only that you comply with the established health and sanitation rules of Fremont County.

If you plan to attend or even if you can't and still want to advertise in our shoot book that each registered shooter receives, we accept camera ready art and will publish your advertisement. Prices for ads are \$45 for a full page, \$25 for a half-page, \$15 for a quarter page, and \$10 for business cards. If you register to attend and sell at this event, we will print your business card for free in the shoot book. Deadline for all ads is April 15<sup>th</sup>, 2012.

We welcome you to our event and look forward to seeing you there!!!!

# CSML KIT FOR SELLING ADS

## 37th ANNUAL MEMORIAL DAY SHOOT BOOK

Ads that aren't **CAMERA READY** require time consuming artist work so we must add a charge of **\$10.00** to pay for that time. **CAMERA READY** means actually **ready to print** in final form. Your ad is **NOT CAMERA READY** if it has pencilled-in changes; it is in colored ink or on colored paper (it won't print well); it is cut out of the newspaper or Yellow Pages and has printing on the backside (it bleeds through); or if it is a different size from the final printed size listed below. We will be happy to correct these problems for you but **it will cost you \$10.00 extra!**
