Mountain Man Monthly

The Authorized Publication of the
Colorado Springs Muzzle Loaders Inc.

The Colorado Springs Muzzle Loaders, Inc. was chartered in 1969 by a group of men and women interested in their heritage and dedicated to preserving and promoting the sport of muzzle loading and buckskinning. CSML is a family oriented club that holds a broad range of functions such as camp outs, potluck dinners, and black powder shoots. CSML is affiliated with the National Muzzle Loading Rifle Association and the National Rifle Association.

Views and opinions contained within articles submitted to the Mountain Man Monthly are not necessarily those of the editor or CSML. The editor reserves the right not to publish any article submitted but encourages articles on any subject regarding shooting sports and subjects related to the fur trade era.

Schedule is subject to change at any time and is based on information available at time of publication. On-line check csmlinc.org

PAST THINGS

The June meeting was a good one with some very positive results of the 36th annual Black Powder Shoot and Rendezvous.....hurray!!!! We think that when the bills are all in and paid, that we will have made a few dollars on this event. Ted reported that we had several renewals at the event along with three new members signing up.

Despite the presence of Mariah at this year's shoot, we still had over 170 registered shooters and some of the scores were pretty remarkable given the conditions. We are going to have to look at some of our current practices to see if we can save a few more dollars and make things more equitable, but overall, we did a good job and it's all thanks to those of you who came and worked so hard!!!!

All the tents are being repaired and the braces will be replaced in time for the next event. We have a plan to stake down the cross-members when we set up so that we can avoid a falling tent next time.

Since the last time we met, we have completed a gun show, the Boy Scout event at the Big R, and a Women on Target class. The gun show was a good one and we handed out lots of literature on all the things we know about muzzle loading and its events. The Boy Scout event was cold but there were plenty of Kleenex and Band Aids available. Not too much blood flowing, but it is evident that boys and flints are not always a good match. The Women on Target event was way too much fun with way too much good food. Delores shoots not only black powder well, but can group her shots much better than the semi-automatic pistols were able to.

Maureen Grainger, Dave Havens (Joy's brother), and Lila Geddes all passed away recently. Lila's husband Carl was President of the CSML in 1977 and they were active in the group for a number of the early years. We extend our deepest condolences to the families of these folks.

The NMLRA Territorial Matches have been conducted at Ft. Lupton and we heard that Dee Beaupre did well at these. I'm sure somewhere along the line, we'll get some results and maybe there are others that finished in the running.

Mountain Mama Run

By: Judy "Buttershots" Sterner

The Mountain Mama Run was a success this year thanks to the women who competed in it and the Mountain Men who helped to coach and set up the challenges.

We had four women for the Mountain Mama Run and three young ladies for the Junior Mountain Mama Run. I would like to thank Petra LaChance, first place; Barb Johnson and Rita Enstrom, second place; and Mary Llewellyn, third place.

This year we also had lovely Junior Mountain Mama competitors. A special thanks goes to Isabella Forster and Sandra Llewellyn who tied for first place and Amanda Enstrom for achieving second place.

I would like to thank Steve Sterner for helping set up an enjoyable set of events for the Mountain Mama. Thanks also to Marlin Johnson who did a wonderful job of coaching our Mountain Mama and Junior Mountain Mama contestants. I could not have done it without you both!!!

I am challenging each and every woman to come out next year and try the Mountain Mama Run. We hope to make it more fun and enjoyable.

Colorado Springs Muzzle Loaders Regular Monthly Meeting June 2, 2011

The CSML membership meeting on June 2, 2011 was called to order by Joy. She welcomed everyone. Good to see Sam and Ron Deurmyer made the trip from Denver.

Secretary's report will be at the August meeting since we have no meeting in July and there is no May issue of the newsletter.

Treasurer's Report by Gwen noted that she did not have all the figures from the Memorial Day shoot yet, but will have the full report in August. Due to a migraine headache, Gwen was unable to look at the figures clearly, but was given an excused absence for all the preparatory work she does for the Memorial

Day event. She has to be responsible for all the money and make sure everyone has what they need. Thanks go to Gwen for keeping all the good records and keeping them straight for us.

Membership report from Ted Beaupre was that we now have 102 members on the books. We did get three new members and six renewals at the Memorial Day event.

Primitive report from Doug indicated that Tony will be running the shoot in June since Doug will be at the Territorial Matches. Doug thanked all those who helped at all areas of the Memorial Day shoot.

Old Business: Don Stoner reported that the gun show was a good one.

The Cub Scouts demo at the Big R was great. It was noted that it was on the cold side but Ted taught Blake how to make fire with flint and steel.

Doug thanked Joy, Delores, Gwen and Tony for all their help during the last Women on Target class. They all had a great time and highly encourage others to attend when they can.

New Business: Doug reported that all the torn canvas was taken to Canon Custom Canvas to have grommets installed on the bottom of the tents as well as all the needed repairs completed. It is estimated to cost about \$200 for the needed items. The whole group was in agreement with the repairs.

Earl Goecker came out to the Memorial Day event with a sprayer on the back of an ATV to have around in case of fire. Doug did some research on a like model so that we could have our own on hand for all our events. Motion was made from the floor that the CSML purchase a sprayer for ATV use. Doug will be the lead on this. Motion was seconded and passed.

Discussion held on taking the old trailer out of the mountain park and replacing it with the trailer now at Melchert's. The one in the park is a health hazard and is falling apart. Doreen will check with the city of Florence to ensure that our plan is acceptable to them. Doug Davis has the means to help move the old trailer out of the park.

Memorial Day event wrap up included a report that the Canon and Florence newspapers both had great articles about us. Fred Newcomb was featured in one of the articles. We are sending shoot books to

everyone who had an ad and who donated items to the event.

Joy presented awards to all the hard workers at this year's shoot. She thanked everyone who had worked so hard for the best event in the state. We are the best and Joy is so thankful for everyone in the organization.

Respectfully submitted,
Lois Schainost

PAPER PISTOL MATCH

June 5, 2011

By: Ken "Suds" West

The weather was about perfect; the light breeze kept it cool without interfering with shooting. Marilyn Stites joined Jim Murry and me. First time I remember her shooting a pistol match, and her score was exactly the same as mine the first time that I shot in the nationals at Friendship - - - 29!

Jim won with an impressive 92-3x and I also ran with a score of 80.

Primitive Shoot News

by: Doug "Moose Milk" Davis

Ten shooters showed up on Sunday, June 19th; six men and four women. Due to a laundry accident the scores for the men were lost. The women's scores are as follows:

| | |
|-----------------|-------|
| Peggy Basdekas | 17/22 |
| Barb Johnson | 13/22 |
| Pam Sanchez | 12/22 |
| Alexis Unnostau | 9/22 |

Shooting in the men's division were:

Tony Hecker
 Leon Basdekas
 Ron Sanchez
 Marlin Johnson
 Don Stoner
 Joe Unnostau (first time shooter)

WORKERS MEMORIAL DAY 2011

By: Joy Hicks

First of all, I would like to thank all of those who helped at the work party and especially Fred and Petra LaChance for opening their home to us. This is always a good start to making the annual shoot a success.

Estil Ator - helped set up the whole event

Ted Beaupre - helped set up, worked on the range, tear-down, helped on Trader's Row, the Flag ceremony, and the frying pan toss.

Dee Beaupre - kids' games, made up the games, ran the games, made prizes, and had her own tent on trader's row.

Gwen Blanchard - takes care of all the accounting and bills; set up, tear down, and worked on the range.

Tim Blanchard - set up, tear down, and worked on the primitive range.

Steve Bingham - set up, tear down, and worked on the primitive range.

Tom Campbell - donated a pistol.

Pam Campbell - worked in registration.

Tom Gabor - organizing the range, chief range officer, set up, tear down, hauling trailers, helping

with Mountain Man run, and encouraging our shooters.

Sandra Gabor - worked in registration and handled all the State Trap event registration and monies.

John Gloyd - set up, tear down, and worked on the hawk range.

Carol Gloyd - worked in the club tent, helped Dee so she could do the kids' games.

Earl Goecker - set up and the fire cart.

Tony Hecker - set up, tear down, primitive and novelty range and operations.

Mark Hodges - canon range work.

Arlinda Hodges - club tent

Wes Jacobs & family - spectator shoot

Marlin Johnson - set up, tear down, range, and Mountain Man and Mountain Mama runs.

Barb Johnson - set up, tear down, participation in the women's events.

Petra LaChance - all things registration and keeping the records straight.

Fred LaChance - hauling trailers, here, there, and everywhere, tear down, organizing, and keeping us going.

Jane Lewis - set up, tear down, scoring, making beautiful grand aggregate prizes.

Ron Melchert - tug-of-war, ordering supplies & materials, friend to us all.

Juanita Melchert - friend and willing helper to us all.

Mike Miller - set up, tear down, and Mountain Man run.

Jim Murray - here, there, and everywhere; helped take care of problems that arose; hawk range, set up and tear down.

Zach Navakuku - cannon range.

Tom Newell - hawk range

Dustin Parker - tear down and shotgun things.

Todd Schainost - flag ceremony, set up, tear down, range, here, there, and everywhere.

Lois Schainost - set up, tear down, scoring, made beautiful quilt for drawing.

Tom Scott - set up.

Steve Sterner - set up, tear down, Mountain Mama run, spectator shoot.

Judy Sterner - set up, tear down, registration, Mountain Mama run.

Richard Stites - canon range

Marilyn Stites - club tent, takes our stuff, keeps track of the money, pays everyone, and took one for the club this year.

Don Stoner - set up, tear down, hawk and knife range, "I'll be right there", before shoot, made sure of hawk blocks and hawks.

John Udovich - set up, worked on the range.

Doreen Webb - orders medallions, completes shoot book, organizing, right-hand person, picks up shoot book, making forms and cards, traders row, scoring, prizes, organizes the drawing, state trap work, doesn't stop when shoot is over, sends out prizes, makes sure scores are documented in the right places.

Every year we have two special prizes that we award. The first is Rookie of the Year. This is someone who is relatively new to the working end of the shoot and who stands out for what they do. This year we have two Rookies of the Year: **Blake Schainost** and **Ashton Miller**. Both of these young men stand out in the way they helped us with set up, tear down, opening ceremony, and both of them were always there to lend a hand when called on. They were called on a lot and showed up every time someone needed them. They also participated in many of the events and even shot on the cannon range.

The second special award is the Shoot MVP. You probably have guessed who gets it this year and if you were there, you know why. When I rolled on site the first thing I heard was, "You should have seen Doug; he was really on fire and things got done". I didn't see much of him on Friday as he was up at the primitive range by then. Then it was the signs and I did hear his truck go by a couple of times. He worked on the range, ran the Mountain Man event, fixed anything that got broke, risked his butt to keep the scoring tent from falling down around us while his own camp was blowing away.

If I missed anyone, I am truly sorry. Please let me know so that I can fix it.

If I have ever offended anyone by anything that I have said or done, I am very sorry. I hope that I have never made anyone feel as though they weren't a valuable part of the team. **We** are a team and without everyone pitching in and working together,

we would not be able to put on a shoot like the CSML Memorial Day Shoot!!!! We are the biggest and best because of each of **YOU!!!!**

Remember, no monthly meeting in July. We had canceled this due to the CSMLA State Shoot and since most of us would have been there. Even though the State Shoot has been canceled we are still not going to have a July meeting. Be prepared as the State Shoot event is looking to reschedule later in the year. We are all hoping that there will be some rains come in and wet us all down so that we can have this shoot in the fall.

4th of July Parade in Monument

Don't forget that we as a group are planning to march in the annual 4th of July parade in Monument. This year's parade is on the 4th which is Monday. Bring lots of parade loads to shoot. (If you need help or have questions about parade loads, you can call Joy, Doug, Don Stoner, or just about anyone.)

We plan to meet at about 8:30 at the Baptist Road parking lot. Doug will bring his trailer and carry us to the starting line. We will need someone to help carry the banner so if you don't shoot, still come. Dress in your best outfit and join us in this hometown event.

*** = = = ***

PRIMITIVE GRAINGER CAMP OUT

The primitive Grainger camp out is July 16-17. We will have the normal shooting course and all the other fun things that we do. There will be the annual chili contest on Saturday night followed by the potluck, awarding of prizes, and the naming ceremony.

If all things go true to course, we'll do a potluck breakfast on Sunday morning as well. (Remember we do love to eat!)

Please be sure to leave the gates as you find them and be prepared for hot, dry weather. Bring lots of water and keep yourself hydrated.

Don't forget.....

Our next monthly meeting will be August 4 at 7:00 p.m. Plan to be there.

September is the annual election of officers for the club. If you are interested in running for an office, please let Juanita Melchert know. She is our election chairman. If you plan to run again for the office you have now, please let Juanita know.

Every job is important and we are willing to help anyone who wants to take on the challenge. Please think about taking on one of the positions so that we can create depth in our group and we can keep on doing what we do.

Happy Summer!!!!

Colorado Springs Muzzle Loaders
 4820 Montebello Drive
 Colorado Springs, CO 80918

Map to Graingers

(Save for August)
