PAST THINGS

Since we don't publish a newsletter in May due to the big shoot, we have a few things that have past.

One is the big shoot!!!! It was a fairly successful event with only a few noted problems. We did have about 120 registered shooters which is good given the conditions and status of muzzle loading in general. Lots of new shooters this year. Due to extreme car problems, your Editor did not make it to the June meeting but I'm sure that there were some good reports.

We had a paper shoot in June that was billed as a "no scope" shoot. Haven't heard how that went but would bet it was an eye-opener for some of our shooters. Good thing to do once in a while just to see what we can do without the modern aids.

Outdoor Buddies that Marlin Johnson was working on was held on June 22. Would hope to have some good information from that. Maybe someone who went would submit an article for the next newsletter.

Received some electronic pictures from the Falcon Day Camp event. Looks like the boys were having a great time with all that we provided. If I can ever figure out how to move the pictures from my computer to the newsletter then you could see the smiles that went from ear-to-ear as they were throwing hawks and looking at all the mountain man plunder! Thank you all for those of you who went and made this a good time for the Cub Scouts. Your efforts did not go unnoticed.

REMEMBER - - - -

NO monthly meeting first Thursday in July!! Celebrate July 4th with your family and friends. Take a little time to remember how our independence was gained and the sacrifices made for us and our way of life. Say a little thank you and prayer for the veterans and military that made this all possible.

Loss of our friends.....

Many of the club members do not know Jim Hidy or Jack Giampapa but these were two men who loved muzzle loading and were avid supporters of our group and what we do. We lost both of these guys in June.

Jim Hidy was known for his shotgun experiences and expertise. He and several of our group used to meet at the primitive shoot and spend the day on the shotgun range blowing the birds away. Jim and his lovely wife Bonnie were also campground greeters for a number of years. They had friends from everywhere across the country.

Jim's services were held at the Lutheran Church in Black Forest the same day the fire there began. Many of our group, both past and present, were at these services. It was later that we learned the home that Bonnie & Jim shared had been devastated in the fire.

Jack Giampapa passed away at his home in Conifer. While Jack was a vagabond and traveled a lot across the country, he did call Conifer his home. He also was a big supporter at our Memorial Day Shoot as well as the State Shoot and many other muzzle loading events in the state. He was usually found giving Deak Flinchpaugh a hard time but Jack loved us all. He was generous in nature and gave as well as he got. Jack's services were held on June 25 at the Ft. Logan National Cemetery. We will miss seeing his beautiful motor home which had a tribute to our country on it and knowing that our friend Jack was on site!

Please keep these two families in your thoughts and prayers as they traverse the trail of loss.

MY, HOW THEY HAVE GROWN!!

While we were hard at work at the 38th Annual Memorial Day Shoot & Rendezvous, we had a visit from our friends JEFF & MARY HANNASH and their kids Gavin and Abbey. Boy oh boy, how those kids have grown!!! It was so good to see the whole family and hear about their lives in Alaska.

Jeff and Mary were very close to Jim and Bonnie Hidy and had come back to see Jim. While a sad time for all, it was so good to see Jeff and Mary

and Gavin and Abbey. We miss them but do know that they are doing well.

MEMORIAL DAY SHOOT

#38

Some of the things that happened at this #38 of our annual shoots:

Stringtime, Mike and Sharon, came and sang for us. Good old-fashioned blue grass music that lent an air of glamour to the end of the day on Saturday. Their only payment was partaking in the potluck.

Once we catch up with Hez Salsbury and get his money for the knife he bought, we will have made \$880 on the drawing prizes. Not bad for what we had.

Ted Beaupre's frying pan toss was a hoot! Lots of folks participated and many a cast iron pan was pitched down range. This event was lots of fun and the brave individuals who stood firm deserve a round of applause. The winning toss was spot-on and very close to the stander!

We had two young girls and Blakette participate in the Mountain Mama Run. Blake is so good natured about trying to get the others to run that he put on his dress and bonnet and participated with the other girls. Thanks Blake for the fun that you added!

We were able to present Hez Salzburg with his award from the CSMLA Annual Trade Show & Convention. It was fun to be able to thank this founding father and life-time achievement muzzle loader. He always was and still is a muzzle loader at heart and does what he can to further the sport. He also has raised his family on black powder and they all participate and hunt.

Lois Schainost found a beautiful fur throw that had an eagle on it that she spruced up and donated. She also made a king size quilt with lots of big game on it for the drawing. She is so talented and gives so generously of her time and talents. We are lucky to have her.

4th of JULY PARADE.....

We will be marching in the 4th of July parade in Monument (at least at press time) on July 4th. We need to make up parade loads for the event. If you have questions on parade loads or on the parade itself, contact DON STONER at 719-591-0724.

Even if you don't want to shoot a gun with parade loads, dress up and come out anyway. We need help with the banner and it's always good advertisement for our group!

Paper Pistol Match

by: Ken "Suds" West

The temperature was balmy and the breeze gentle - - leaving me no excuse for poor shooting! Five of us took advantage of the weather.

The scores were:

Jim Murray	90 3x
Fred LaChance	89x
Ken West	72x
Tom Gabor	71
Clay Vandenberg	71

Things everyone else already knew.....

If you are using lead pipe for casting bullets, the tin in the silver solder will make the balls harder - - and less friendly to load in a revolver. Ideal if you happen to be attacked by vampires though!

THANK YOU ALL!!!!

Each year after the annual Memorial Day event, our President takes time to recognize each and all who helped put the event on. Without all our friends and volunteers, we would not be able to complete this shoot nor would we be the biggest and

best in the state. Here's her list of those honored and what they did:

Gwen: Keeping track of the money, Mountain Mama, set up and tear down, headed up Trader's Row, dealing with unreasonable people.

Michelle: Mountain Mama

Tim: set up, Spectator shoot

Todd: range, keeping us on our toes, tire for the trailer

Lois: beautiful quilt for the drawing, scoring assistance, helping wherever needed, Mountain Mama, taking care of Todd

Blake: set up, tear down, errand runner, "Blake, would you....."; "Blake I need.....", assisted on all the ranges.

Jane: set up, tear down, scoring

Marlin: Spectator shoot, range, set up, shooter id numbers

Barb: scoring & participation in some matches

Tom: stepped right up and helped on the range when we needed it

Sandra: registration, numbering the shooter ID's

Petra: sharing her home for the work party, registration, record keeping for tabs

Fred: sharing his shop with us for the work party, helping here and there and where needed, loading and unloading the club trailer

Don S: spent long days up on the knife & hawk range, broke ties with scores, and brought his scores down to the scoring tent

Jim M: Spectator shoot, hawk range, and shooting in the pistol matches

Tony: set up & tear down on the gong range, sat up on the hill and oversaw the gong shoots

Ted: Spectator shoot, range work, frying pan toss, and till found time & energy to run the Mountain Man Run

Dee: Gave us a great trader, KIDS, KIDS, & more KIDS. The games were very good & highly enjoyed by all the kids.

Richard: the big guns up the hill, Canon master and we heard them all weekend

Marilyn: Club Tent Queen, kept the monies straight, sold lots of stuff, supported Richard on the Canon range

Mark: Helped Richard and Marilyn, made beautiful signs that were directions for us all

Arlinda: helped Marilyn keep the Club Tent straight, sold lots of goodies

Steve S: even though he could not run the Spectator shoot, he came to help oversee it

Judy: registration, cowboy cookies for the drawing (always a huge success & much wanted prize)

Ron: tug-of-war, kept Juanita informed of our progress and excitement

Ron D: tear down, participation in many matches, Captain of the 5-man team this year!!!!

Bob A: range work

Jimmy: tear town

John G: support and assistance when needed

Carol G: support and a smile for all

Terry: Spectator shoot

Janie: Spectator shoot

Wes: Spectator shoot

Doreen: ordering prize medallions, the Shoot Book, scoring, drawing MC, always by my side keeping me straight

Doug: I am trying not to be prejudiced but I have to give him a special thanks. He set up signs, hauling trailers, overseeing the set up on the gong range, Chief Safety Officer for all ranges, tables, guide ropes in tents, keeping me sane (not so sure he succeeded at that one)

Our rookie of the year for 2013 is **GABBIE** (Blake, she is a keeper!)

MVP for 2013 is **BLAKE!** He was awesome all weekend long.

If I have forgotten someone, I am truly sorry. Your help and support are very much appreciated.
